INCREASE THE PROFITABILITY OF YOUR FLEET

Renault Trucks offers Optifleet, the turn-key fleet management solution to help you manage your day-to-day operations and reduce your operating costs. Manage your activity in real time and keep your core expenditure under control!

Pre-fitted as standard on all Renault Trucks Euro 6 vehicles across the Long Haul, Heavy Construction and Construction DTI 11 & DTI 13 ranges, the Map, Check and Drive modules are ready to go with no additional equipment costs.

RETURN ON INVESTMENT IN 3 MONTHS

SAVE UP TO €5,000 PER YEAR, PER VEHICLE

Optifleet is available on a simple monthly contract with only one month's notice period. Link module includes unlimited messaging between vehicle and base throughout Europe. An Optifleet specialist will spend time with you explaining how to best use the tool.

THE 4 OPTIFLEET MODULES

GEO-LOCATE YOUR VEHICLES IN REAL TIME

MAP - GEO-LOCATE YOUR FLEET

- Locate your vehicles in real time: track vehicle speed, position, direction, driver name and driver's card status.
- Analyze the routes your vehicles have taken.
- Optimize your journeys to avoid wasted kilometers.

REDUCE YOUR FUEL CONSUMPTION

CHECK - MONITOR YOUR VEHICLES' FUEL CONSUMPTION AND TECHNICAL DATA

- Remotely monitor technical data by vehicle and driver: fuel consumption, consumption in the green zone, percentage of time spent idling, number of times the brake pedal is pressed, etc.
- Monitor significant fuel level and AdBlue variations.
- Review your environmental report (CO₂, NO_x emissions, etc.).

DOWNLOAD DATA REMOTELY

DRIVE - COMPLY WITH REGULATIONS

- Monitor a driver's driving and rest times in real time, in compliance with the regulations (European regulation 561/2006).
- Program and remotely download data from the tachograph memory and driver's card.

DELIVERY ADDRESS TRANSFERABLE TO YOUR ON BOARD NAVIGATION SYSTEM

LINK - ACCOMPANY YOUR DRIVERS

- Communicate by email with your drivers.
- View the vehicle log in the cab.

THE AVAILABILITY OF THE SERVICES IS DIFFERENT ACCORDING TO THE RANGES AND COUNTRIES.
